### **Saint Mary's Hall Student and Teacher Win National Awards**

(San Antonio, Texas) - During the summer, Saint Mary's Hall student Lorena Martinez travelled to New York City to accept a National Gold Medal from the Scholastic Art and Writing competition. In addition, Dyan Green, 3D Art and Art History teacher received a medal of recognition in Art Education for the second time in three years.

The Scholastic Art & Writing Awards date back to 1923, and over the years, the awards have grown to become the longest-running, most prestigious recognition program for creative teens (grades 7-12) in the U.S. In addition to winning this prestigious award, National Award-winning art and writing will be displayed in cities across the United States as part of the national touring exhibition.

Congratulations to Lorena, Dyan, and the Tobin Fine Arts School at Saint Mary's Hall!
